

## Meet the Team

### Peter Donnelly

Accountancy & Finance  
Recruitment Specialist

**Peter has worked for over ten years with businesses and professional staff operating within the finance and banking sectors.**

Peter's extensive insight of working with businesses where positivity and profitability have been key to their success has helped him develop a strong understanding of local market challenges and recruitment needs from both a client and candidate perspective.

With a multitude of relevant financial qualifications under his belt and real roots in the industry, Peter's innovative approach to the Accountancy and Finance sector helps match candidates competencies specific to our clients business needs.

Peter's expertise has allowed him to successfully place hundreds of specialist candidates within the accountancy & finance sector and has helped over 500 businesses achieve their recruitment needs.

His strong commercial aptitude and inspiring determination to find the right candidate for the right position makes Peter a champion of recruitment excellence. His passion as a recruitment specialist has led to him building strong and trusted relationships in the local market by providing a strategic, innovative and personal approach to all of his clients

*"I have worked with Peter both hiring staff and also as a candidate myself. Recruitment is a challenging profession, and Peter stands out as genuine and trustworthy. He gets great results by building good relationships with clients and candidates, and delivers on his promises. If I need to hire staff, or if in the future I am looking for a new role, I will always use Peter as a preferred choice."*

**Financial Accountant, SME Manufacturing**
